### We are here to help.

Our award-winning Customer Care team is available at [websupt@cqq.com](mailto:websupt@cqq.com).

### Learn how to use CQG QTrader:

- [Download & install CQG QTrader.](#)
- [Learn more & start trading with CQG QTrader.](#)
- [Compare CQG IC & CQG QTrader.](#)
- [Request Support & Training for CQG QTrader.](#)

Sample CQG QTrader email text.

When the installation is complete, you will see the QTrader icon on your desktop.

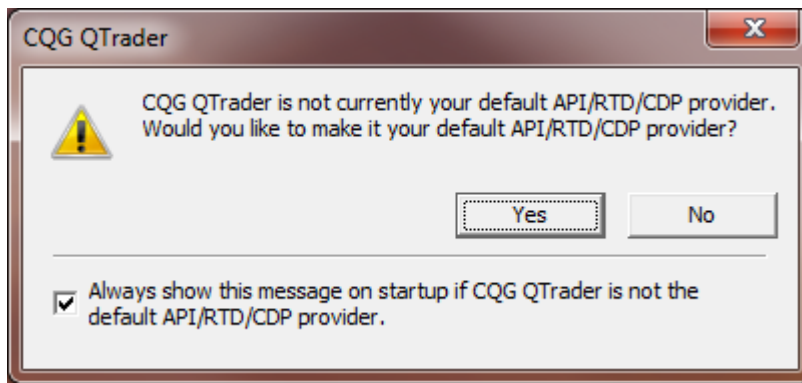

QTrader desktop icon.

Double-click the QTrader icon to launch the program.

CQG QTrader login window.

Enter your user name and password, which you received in the email, and click **Login**. You will then see a request to make QTrader your default API/RTD/CDP provider. Please click **Yes**. This allows CQG to communicate with programs such as Microsoft Excel®.

**Make CQG QTrader your default API/RTD/CDP provider.**

CQG QTrader will open and you will see a Welcome to QTrader splash page. Here you will find links to videos and other helpful pages. To access help and other getting started features, please click the **Support** toolbar button in the top right-hand area of the display.

Welcome - QTrader
